English

↑ Revolutionary – the NOCTRA CRUISER 7.6 L with the newly developed rear

* Important information regarding the Technical Data

1. Technically permissible maximum laden mass (kg)

The technically permissible maximum laden mass is the total mass specified by the manufacturer that the vehicle must not exceed when driving.

2. Mass in running order (kg)

The mass in running order indicates the unladen weight of the vehicle with standard equipment according to the manufacturer's specifications. It includes the mass of the body, the cab, the tyre repair kit and the tools, the fresh water tank filled to 100% in driving mode (drive load according to the Technical Data), one aluminium gas cylinder filled to 100% with a weight of 16 kg, the fuel tank filled to 90% including fuel, the AdBlue-Tank filled to 100% and the mass of the driver, which (regardless of the actual weight) is rated at 75 kg. This calculated value is subject to legally permissible production-related deviations of up to +/-5% (see addition in brackets), which may affect the pay-mass of your motorhome and therefore also the mass of the optional equipment. Please note that the specified value is the mass in running order of the basic version of the vehicle shown. Information on the mass in running order for the vehicle version of your motorhome can be found after delivery of the vehicle in section 13 of the Certificate of Conformity (CoC).

3. Standard belt seats

The mass of the passengers is based on of the number of belt seats specified by the manufacturer rated at 75 kg per belt. The mass of the driver, which has already been included in the mass in running order, must be deducted. For a vehicle with four belt seats, the mass of the passengers is 225 kg (3*75 kg).

4. Maximum mass of optional equipment

The maximum mass of optional equipment is a value calculated by the manufacturer to limit the mass for optional equipment that can be ordered ex works. This is to ensure that the vehicle complies with the legally prescribed minimum pay-mass. If you exceed the maximum mass of optional equipment during configuration, you can only continue or finalise the configuration if you deselect optional equipment or belt seats or order the vehicle with an increase in the technically permissible maximum laden mass. For detailed information on the weight specifications, visit www.frankia.com.

5. Fresh water tank in driving mode (drive load)

Please note that the filling of the fresh water tank is considerably reduced when driving. If the pay-mass of your motorhome is sufficient, the filling of fresh water tank can be increased.

DESIGN. COMFORT. QUALITY.

FRANKIA CELEBRATES · NEW HIGHLIGHTS · 100% MADE IN GERMANY

2025 is a special year for FRANKIA. We are celebrating **65 years of tradition and innovation** as a manufacturer of premium motorhomes – along with countless milestones that have set benchmarks in the industry. Now we are taking a bold step into the future with a **fresh strategy and new products** that focus

entirely on our core values: **design, comfort and quality**. Naturally,

FRANKIA is: 100% made in Germany. How do we see the future of mobile travel? Our **top innovation of the** new model year makes it clear: the **FRANKIA NOCTRA**. The innovative Low-Profile NOCTRA Cruiser is the first of a new generation of luxury motorhomes. With it, we are entering a **new era**. We went back to the drawing board for this: We rethought and completely redesigned everything and optimised proven features – right down to the smallest detail.

But that's not all: In this anniversary year, **another highlight** is waiting to be discovered – the **FRANKIA TOGETHER**. The extraordinary anniversary edition takes models with round seating groups to a new level: with a fresh exterior and interior design, an impressive sense of space, comfort upgrades, world-class equipment that comes standard and virtually complete self-sufficiency. **FRANKIA NOW**, the innovative style icon, is sure to surprise with never-before-seen highlights in comfort, while **FRANKIA NEO** is certain to impress with its new design concept.

"The revolutionary 4.5 t FRANKIA NOCTRA Cruiser 7.6 L is the first model of our next generation. It defines the next level and thus the future – particularly when it comes to design, comfort and quality."*

Ready for the next level? Step inside and be inspired!

Konstantin Döhler, Managing Director at FRANKIA

**A MOTORHOME THAT
DEFINES THE FUTURE**

**NOC
TRA**

**“With the luxury class
FRANKIA NOCTRA, we have
completely reinvented
ourselves. 100% focus
on design, comfort, quality.”**

DESIGN R|EVOLUTION

↑ Standard: FRANKIA NOCTRA Cruiser 7.6 L – here on a Fiat Ducato platform – with the luxurious “Light” exterior design

↑ Newly developed rear with statement styling and continuous BridgeLight

↑ Unique Light design: underbody lighting on both sides

↑ Reimagined, new style: FRANKIA NOCTRA luxury bathroom

FRANKIA NOCTRA CRUISER

The Low-Profile NOCTRA Cruiser is more than just a motorhome – it's a **statement**. As the first model of a new generation, it redefines what mobile travel can mean: **A new dimension in design**. With its visionary look, it offers an entirely new interpretation of luxury.

HIGH LIGHTS

↑ Two wood tones (shown here in Visby) and four style colours (shown here in the green tone Forest) to choose from.

↑ Trend shades or classics?

↑ Panoramic window above the twin beds – style deluxe

↑ The kitchen in the FRANKIA NOCTRA follows the monolithic design trend.

COMFORT R|EVOLUTION

↑ Highlight: large, continuous storage compartment – optional with touch opening and extension system

↑ Two bikes stowed securely? No problem!

↑ Organisation 2.0: new double-floor system with separate electronics compartment

↑ Perfect in the dark: bright lighting in the garage

↑ Protected space for the power connection

↑ It's so simple: water supply

↑ Smart storage compartments on both sides of the rear garage

FRANKIA NOCTRA CRUISER

Whether it's a sense of space, storage or light – in the FRANKIA NOCTRA, **solutions have been reimagined** from the big picture down to the smallest detail. The result: perfection in comfort – with revolutionary concepts that make life on the road even better.

HIGH LIGHTS

↑ Sleep just the way you like: in single beds or in an extended, extra-large bed

↑ Smart: power drop-down bed that disappears completely into the roof

↑ Easier access to the beds thanks to a new step system with rails

↑ Kitchen storage highlight: full-height pull-out pantry

↑ Access the double floor from the interior? In the NOCTRA, it's easy!

↑ Next-level-storage? Also part of the new luxury motorhome!

**A REIMAGINING OF
THE 3.5 T* CLASS**

NEO

The image shows the interior of a modern motorhome, specifically the Frankia NEO model. The layout is compact and efficient. On the left, there is a kitchenette with a white countertop, a black gas stove, and a sink. Below the counter are wooden cabinets and drawers. Above the counter, there are more wooden cabinets and a small window. The ceiling is white with several rectangular skylights. On the right, there is a dark blue upholstered bench or sofa with black straps. In front of it is a dark blue table. On the table, there is a white plate with a yellow bowl, a glass of water, and a spoon. The floor is covered in light-colored wood-look laminate. In the background, there is a sleeping area with white bedding and a blue blanket. The overall design is modern and stylish, with a mix of dark blue, white, and light wood tones.

**“The future of
the FRANKIA NEO:
even more stylish,
attractive, individual.”**

Heading in different directions now for a more personalised experience: While the Low-Profile FRANKIA MT 7 NEO arrives with a **new colour concept**, the A-Class FRANKIA MI 7 NEO is now available exclusively in the **BLACK LINE edition**.

NEW: FRANKIA and Truma are celebrating a **premiere!**

The FRANKIA NEO and FRANKIA NOW are the first vehicles to feature the **2-in-1 CombiNeo heating system**. It combines exceptional hot water performance with fast space heating.

FRANKIA NEO LOW-PROFILE

The **FRANKIA MT 7 NEO** is all about luxury – with a completely new exterior and interior design in the styles Sun, Ocean or Peach. On top: a spectacular sense of space rarely found in any other vehicle in this class.

HIGH LIGHTS

↑ Top quality: premium fabrics from Rohleder®

↑ More space is hardly possible in the 3.5 t class: 2 m of headroom throughout

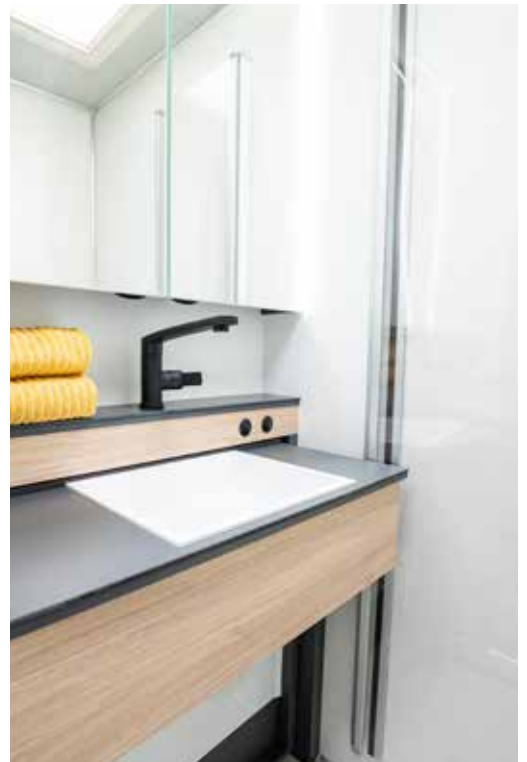

↑ Colour accents that make travelling brighter: for example, in the open rear built-in box

↑ Wardrobe beneath the twin beds

↑ Practical: storage space in the front

↑ NEO bathroom with many multifunctional solutions

FRANKIA NEO A-CLASS BLACK LINE

HIGH LIGHTS

In the mood for a cinema experience on the road? And a homey atmosphere while travelling? Maximum comfort with minimal weight? The A-Class **FRANKIA MI NEO** shows how it's done. Hop in, hit the road and enjoy!

**TOGE
THER**

**“The TOGETHER
Edition revolutionises
a FRANKIA classic:
the round seating
group.”**

The TOGETHER Edition is a tribute to FRANKIA's 65 years of success and sets new standards in design, quality and comfort.

HIGH LIGHTS

↑ Perfect for relaxing on the "second floor": separate twin beds in the Coachbuilt, each 2 m long

↑ More than enough space: XXL wardrobe

↑ Spacious bathroom: with more freedom of movement and extra comfort

↑ Pure entertainment in the seating group – with the tilting and swivelling 32" LED TV

FRANKIA TOGETHER takes round seating group models to a new level. Alongside a **fresh design**, this edition is sure to impress with an **outstanding sense of space**, comfort upgrades, world-class standard equipment and **self-sufficiency**.

Unique identity: The exterior design is defined by the striking "U" key visual.

Where the TOGETHER Coachbuilt truly shines in terms of space, size and openness, the new TOGETHER A-Class goes even further: with **even more freedom of movement, openness and light** – especially in the front section of the vehicle.

Despite its compact dimensions, the TOGETHER Edition offers maximum freedom of movement.

HIGH LIGHTS

FRANKIA TOGETHER is future-oriented – especially when it comes to comfort and design! Thanks to the newly developed round seating group, an exclusive mix and match style and on-top standard equipment.

↑ **FRANKIA Maxi-Flex®** kitchen with 2-burner gas hob

↑ **Stylish and premium quality: upholstery and cushions from Rohleder®**

Mix and match principle for a more personalised experience

↑ **There are four style combinations to choose from.**

On the road, the Low-Profile FRANKIA NOW stands out with its dynamic, sporty design ...

HIGH LIGHTS

FRANKIA NOW turns everything on its head. This 3.5 t model breaks with conventions and traditions – rethinking everything from scratch. It offers freedom to move, even in the smallest areas. It creates space, even when there is none. A motorhome that adds a splash of colour to your trip.

↑ Clear sight lines, indirect lighting and fresh colour schemes – this is how NOW sees the future of motorhome travel.

↑ ... Inside, a clean style with fresh accents takes centre stage.

↑ Ideal for leisure equipment: the pull-out exterior compartment for storage

HIGH LIGHTS

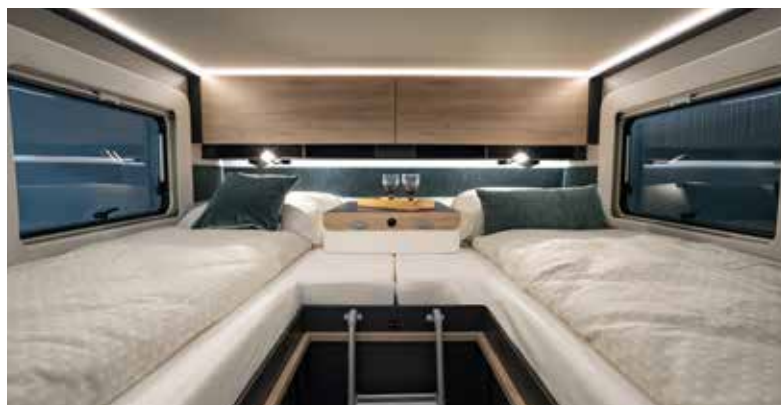

NOW is a style icon! Choose from Sun, Ocean or Peach – **three modern looks** that define the exterior design and add distinct accents to the interior ambience.

↑ WOW, NOW: every inch is cleverly utilised!

↑ NOW features a subtle style that embraces clarity and offers impressive creative freedom.

↑ A five-star sleeping experience: lighting, ambience, space, freedom, details

↑ FRANKIA NOW 7.0 L 3.5 T*

↑ Enjoy a feeling of lightness and well-being in the expansive open areas.

FRANKIA NOW

NOW accommodates everything with ease! It offers ample space with a large rear storage compartment, a pull-out exterior storage compartment and **practical storage solutions** in the interior.

HIGH LIGHTS

↑ The optional power drop-down bed above the seating area is also flooded with natural light.

↑ Another smart detail: the multifunctional box

↑ The perfect place to freshen up: the variable bathroom

↑ The three-sided NOW Tower enables you to access storage space from the kitchen and the bed.
