FINAL EDITION I 740 GD

Following the successful launch of the Mercedes-Benz-based FINAL EDITION, the German premium manufacturer FRANKIA is also paying tribute to its signature layouts based on Fiat. What makes the FINAL EDITION so special? Each model aims to provide a tremendous sense of space and impresses with unique luxury fittings that combine all the best-selling options in a single edition, offering customers savings of up to 14,000 euros depending on the model. The FINAL EDITION also stands for variety: this special model range comprises six integrated motorhomes based on Mercedes-Benz and Fiat platforms.

6 SPECIAL LAYOUTS, 2 BASE MODELS, TOP-OF-THE-RANGE STANDARD EQUIPMENT

ONE THAT BRINGS TOGETHER THE VERY BEST

Every model in the FINAL EDITION range combines the best of over 60 years' experience in a unique edition: whether it's a round seating area and fold-down bed, separate beds with an additional fold-down bed, or a face-to-face seating area with a front extension – the FINAL EDITION on Mercedes-Benz and Fiat chassis offers the right layout to suit a variety of needs. A particular highlight in the Fiat range is the I 640 SD with its spacious XL rear bathroom. The FINAL EDITION combines a tremendous sense of space with luxurious standard equipment that already includes numerous best-selling options.
